Begin with gentle whole body sea-salt exfoliation using the hand-made, farm fresh Ola Hawaiian Bath and Body product. Then proceed into our 'Ganban Yoku' granite sauna in a Phytoceane Seaweed Wrap. After a cleansing shower, you are ready for 90 minutes of massage with facial; as the facial mask penetrates, the body butter massage continues. **OCEAN  
MASSAGE**  
45 min • \$100  
60 min • \$130

Enter a warm salt pool for a three dimensional swirling massage that will allow you to completely arrive in Hawaii. Feel yourself join the wind, water, and salt as your own flowing weightlessness is gently guided through a unique-to-you series of whole body stretch-motions while pressure point massage relieves muscle knots. It can be called Continuous Released Positioning, or more simply, you may call it a wonderfully amazing experience!

Herbal therapy is included.

All stone emits far  
infra-red light when  
heated, and granite,  
being very dense, emits a  
lot. Far infra-red light  
increases your skin's  
production of collagen,  
and is overall very  
soothing. You lay down  
on a plush towel on the  
**102 F granite table**, your  
head is on a pillow, and  
your body is inside of a  
**personal dome**. A towel  
drops down below your  
chin containing the steam  
from the dome's steamer.

Inside the steamer, we  
place a selection of herbs  
that you choose from:  
peppermint, chamomile,  
lavender, orange peel,  
rose, and more. From the  
far infra-red light and  
steam in combination  
your sweat profusely,  
your skin is pouring out  
like a faucet, and essence  
of healing herbs are  
bathing your open pores.  
And, it is low heat, so  
your heart is relaxed.

Finally, you feel smooth,  
shiny, radiant, deeply  
relaxed, and ready for  
your massage.

This occurs in a **private  
golden limestone room**  
for individuals or  
couples.
